To The Secretary to the Govt.

for Railways.

Sir,

With reference to your letter No 814/2669 of the 25th ultimo, I have the honor to state that the car festival at the Ghaté Subramanya Swami Temple in the Dod Ballapur Taluk, Commences on the 12th January 1894 and terminates on the 14th idem.

2 From the local enquiry it would appear that the average number of visitors daily will be about 3000. After the car festival is over, a cattle fair is held

for about 8 days, during which period a large number of traders in cattle numbering a few thousands assemble. It is not improbable that these people on their return journey will travel by train.

2. As suggested in para 3 of your letter, the Dy Commissioner, Bangalore District has been addressed to expedite the opening out of a fair weather cart-road from the Maklidrug Station to the Temple.

I have &c
